

SKIN ANALYSIS & REVIEWS

New Client Advanced Skin Consultation: 60 mins £50

This is the first step of your anti ageing skin transformation journey. In your consultation, we discuss your specific skin concerns and what your skin goals consist of. We assess where your skin is currently and the steps involved to achieve the end result you desire. This will allow us to discuss treatment suitability and create a bespoke solution consisting of professional treatments and a prescribed home care package, which will all work together to transform your skin.

This consultation is an initial requirement before any advanced treatments are carried out.

Existing Client Skin Review: 30 mins £25

For clients on a maintenance plan, a Skin Review is recommended every 6 months. This allows us to discuss any skin changes or new skin concerns you may be experiencing and to assess if you need to be making any changes to your current treatment and home care plan to ensure we continue to achieve the best results possible.

Anti Ageing Skin Transformation Programmes: Prices start from £404

All programmes are 3-6 month bespoke plans and are for ladies who are looking to invest in their skin on a deeper level to allow us to achieve real, long lasting results.

Perfect for - loss of tone, to firm, to re-sculpt, lift jowls, lift eyebrows, reduce double chin, smooth lines, reduce dark circles & puffiness.

The Non Surgical Face Lift Plus: 90 mins £97

Including a full face microcurrent plus one of the following: Glow Peel, Caviar Dermafusion, Radiofrequency & LED light therapy. (The best combination for you will be advised during your facial)

Perfect for - Taking your non surgical lift results to the next level.

The Non Surgical Facelift & Cryo Coolifting: 90 mins £103

Including a full face Microcurrent to lift and define, followed by a Cryo Coolifting treatment to intensely hydrate and instantly plump lines and wrinkles. Finished with Cryo Globe stimulation.

Perfect for - Lifting, toning, hydrating, plumping fine lines & wrinkles

Radio Frequency Skin Tightening: 60 mins £70

Multipolar RF will gently heat the skin to stimulate your own collagen production and increase oxygen within the skin, improving cell regeneration for immediate and long lasting lifting, firming and plumping for the face and neck.

Perfect for - collagen boosting, skin tightening, reduced pores, lifted appearance, reduction in lines and wrinkles, radiant skin tone.

High Frequency Facial: 60 mins £70

Perfect for skin's that are suffering from breakouts. High Frequency is an electrical current and radio frequency used to stimulate, sanitize and heal the skin. The high frequency current creates warmth in the skin and stimulates the nerve endings. This in turn increases blood circulation, encourages healthy cell function and promotes skin healing.

Perfect for - Breakouts, congestion, oily skin, mild to moderate acne.

Cryo Coolifting: 45 mins £67

The Coolifting Cryogun uses non invasive administration of active ingredients by means of CO² pulses and a Hyaluronic Acid Serum at high pressure and low temperature. When using the combination of this, the active ingredients effectively saturate and are absorbed into the skin providing instant rejuvenating results. The treatment is completed with Cryo Globe stimulation to soothe and tighten.

Perfect for - lines & wrinkles, improve skin elasticity, collagen production, intensely hydrating.

Caviar Dermafusion: 45 mins £65

Dermafusion is the infusion of active ingredients, which work to treat and prevent the signs of ageing. A bio cellulose Caviar mask containing essential vitamins and minerals needed for the skin to function correctly is applied to the skin. The dermafusion system will allow double the penetration of active ingredients vs using the mask alone, resulting in greater anti ageing results.

Perfect for - hydrating, plumping lines and wrinkles, smoothing, regaining a youthful glow.
